Introduction

Organized and Hosted by China Powder Technology Association, the 2011 International Forum on Powder Technology & Application was held in Anshan, China from 27-29 October, 2011.

The papers presented at the forum are collected in this proceedings. The topics range from the purification, pulverization, modification of mineral powders to the synthesis,and application of mineral materials and mineral processing.

The editors would like to extend our acknowledgements to all the authors for their participations and supports, and to TransTech Co. and Mr. Thomas Wohlbier for the professional works in the publication of this proceedings.

All rights reserved. No part of contents of this paper may be reproduced, processed or transmitted in any form or by any means without the written permission of Trans Tech Publications Ltd, www.scientific.net. (#0-11/02/26,20:55:22)

Organization of the Forum

Chairman:

Prof. Delong Xu, member of Chinese Academy of Engineering, China

Vice Chairman:

Prof. and President, Hitoshi Emi, the Association of Powder Processing Industry & Engineering, Japan

Prof. and Director, Julie Chen, Nanomanufacturing Center of Excellence, UMass, USA

Prof. and Director, Mark Jones, Centre for Bulk Solids & Tunra Bulk Solids, University of Newcastle, Australia Society of Bulk Solid Handling, Australia

Prof. and Director, T. Wiwut National Nanotechnology Center, Thailand

Prof. and President, Yongmo Xu, China Powder Technology Association, China

Secretary:

Prof. Guosheng Gai, Research Institute of Powder Technology, Tsinghua University, China

Organization committee members（arranged in alphabetical order of first name）

Prof. **Deqing Gan,** Hebei united University **,China**

Prof. **Shaojian Ma,** Guangxi University **,China)**

Prof. **Xianjun Lu,** Shandong University of Science and Technology **,China**

Prof. **Xiaoan Li,** Liaoning University of Science and Technology**,China**

Prof. **Yuexin Han,** Northeastern University **,China)**

Prof. **Yuzhi Jinag,** Shenyang Li gong University **,China**

Organized and Hosted by China Powder Technology Association
