

Sponsored and Organized by

Materials Research Society (MRS)

Chinese Materials Research Society (C-MRS)

Supported by

National Natural Science Foundation of China

Chongqing Science and Technology Commission

Conference Chairs

Paul C. W. Chu (Hongkong University of Science and Technology)

Eric Garfunkel (Rutgers University, USA)

Sung-su Han (LG Electronics Institute of Technology)

Yafang Han (Chinese Materials Research Society)

Conference Symposia

Symposium A: Eco/Environmental Materials

Symposium B: Sustainable Energy Materials

Symposium C: Electronic Packaging Materials

Symposium D: Electronic Materials

Symposium E: Materials and Processes for Flat-panel Displays

Symposium F: Functional Ceramics

Symposium G: Transportation Materials

Symposium H: Magnesium (Co-sponsored by TMS)

Symposium I: Biomaterials for Medical Applications
