

Foreword

The International Conference ***ADvances in Engineering and Management - ADEM 2014*** organized by the Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova has reached the third edition. The previous one was held in 2012 organized by Faculty of Mechanics, Department of Engineering and Management of Technological Systems Drobeta Turnu-Severin, University of Craiova and represented a significant scientific event with a broad audience both national and international.

The ADEM 2014 International Conference attracted more than 50 participants from 6 countries, representing prestigious universities, research institutes and industry. More than 80 extended abstracts have been submitted for this scientific event from which 55 were chosen to be published in the Conference Proceedings as full papers.

The present volume provides up-to-date, comprehensive and worldwide state-of-the art knowledge in Advanced Materials and Engineering, including:

- Advanced Materials and Processing Technologies;
- Engineering Decisions and Investigations for Mechanical Engineering;
- Environmental Engineering and Safety at Work;
- Navigation and Maritime and Inland Transport Systems;
- Management and Industrial Engineering

As a chairman of the Organizing Committee of ADEM 2014, I would like to thank to all the authors and co-authors of the papers and to the members of the Scientific Committee for their efforts in reviewing the scientific papers. My special thanks are due to the invited speakers and to the authors from abroad for attending the conference and for their willingness to share knowledge from their research and academic experience. The organizers are thankful to the generous sponsors for their financial support of this scientific event

Drobeta Turnu-Severin, September 2014

Chairman of the Organizing Committee of ADEM 2014

CONFERENCE ORGANIZING COMMITTEE

Professor Dr. Eng. Ion CIUPITU	Vice-Rector University of Craiova
Professor Dr. Eng. Nicolae DUMITRU	Dean of Faculty of Mechanics
Professor Dr. Eng. Gabriel BENGĂ	Head of Engineering and Management of Technological Systems Dept., Faculty of Mechanics, University of Craiova
Professor Dr. Eng. Oana GINGU	Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova
Assoc. Professor Dr. Eng. Mihai DEMIAN	Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova
Assoc. Professor Dr. Eng. Danut SAVU	Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova
Assoc. Professor Dr. Eng. Cristina TEISANU	Department of Automotives, Transports and Industrial Engineering, Faculty of Mechanics, University of Craiova
Assist. Professor Dr. Eng. Sorin SAVU	Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova
Assist. Professor Dr. Eng. Daniela COMAN	Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova
Assist. Professor Dr. Olimpia GHERMEC	Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova

CONFERENCE SECRETARIAT

Assist. Professor Dr. Eng. Sorin SAVU	Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova
Assist. Dr. Eng. Adrian OLEI	Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova
Assist. Dr. Eng. Iulian STEFAN	Department of Engineering and Management of Technological Systems, Faculty of Mechanics, University of Craiova

SCIENTIFIC ADVISORY COMMITTEE ADEM 2014

Marius BAZU	National Institute for Research and Development in Microtechnologies, RO
