

Preface

The International Conference on Civil Engineering, Architecture and Building Materials provides a forum for accessing to the most up-to-date and authoritative knowledge from both industrial and academic worlds, sharing best practice in this exciting field of Civil Engineering, Architecture and Building Materials. The first CEABM was successfully taken place in Haikou, China, June 18-20, 2011, the second CEABM was in held in Yantai, China, from May 25 to 27, 2012 and the third in Jinan, from May 24 to 26, 2013. After the very successful previous issues, the 4th CEABM was successfully held in Haikou, China, from May 24 to 25, 2014.

All papers included in this collection had undergone the careful peer-review by the experts of international and domestic of China before it is selected for publications. This book covers the subject areas of Structural Engineering, Monitoring and Control of Structures, Structural Rehabilitation, Retrofitting and Strengthening, Reliability and Durability of Structures, etc. We hope that this collection of papers will contribute in stimulating debate among scholars, researchers and academicians and we aspire that you find them interesting and thought-provoking.

We would like to thank the authors for their valuable contribution and we are grateful to our general chairs, session chairs and the reviewers for having read and commented on the papers. Our most sincere thanks go to all keynote speakers who shared with us their expertise and knowledge. We are grateful to all the sponsors for their technical and financial support. We would also like to express our gratitude to all the members of the Organizing Committee for the efforts they have made before and during the conference.

We look forward to meeting you all in the next CEABM conference.

The Organizing Committee of CEABM 2014

The 4th International Conference on
Civil Engineering, Architecture and Building Materials
(CEABM 2014)

Organized by:

College of Civil Engineering and Architecture, Hainan University

Hainan Society of Theoretical and Applied Mechanics

Conference Organization

Chairman

Prof. Hongnan Li, Dalian University of Technology, China

Co-Chairman

Prof. Chaohe Chen, South China University of Technology, China

International Scientific Committee

Prof. J. H. Bungey, University of Liverpool, Liverpool, UK

Prof. K. J. Bathe, Massachusetts Institute of Technology, USA

Prof. Lawrence C. Bank, University of Wisconsin-Madison, USA

Prof. Longsheng Bao, Shenyang Jianzhu University, China

Prof. Tai Bao, Guizhou University, China

Prof. Wenbo Bao, Shenyang University of Technology, China

Prof. Chaohe Chen, Hainan University, China

Prof. Jian-Fei Chen, the University of Edinburgh, UK

Prof. Changyu Cui, Harbin Institute of Technology, China

Prof. Zhiheng Deng, Guangxi University, China

Prof. Shengguo Ding, Guizhou University, China

Prof. Yongfeng Du, Lanzhou University of Technology, China

Prof. Xiuli Du, Beijing University of Technology, China

Prof. Ping Feng, Tianjing University, China

Prof. Luciano Feo, University of Salerno, Italy

Prof. Yaojun Ge, Tongji University, China

Prof. Han-Bin Ge, Meiju University, Japan

Prof. Zong Woo Geem, iGlobal University, USA

Prof. I. E. Harik, University of Kentucky, USA

Prof. David Hui, University of New Orleans, USA

Prof. Yong Huang, Guizhou University, China

Prof. Zhihong Huang, Guizhou University, China

Prof. Tan Kiang Hwee, National University of Singapore

Prof. Tim Ibell, University of Bath, UK

Prof. Weiliang Jin, Zhejiang University, China

Dr. Tianjian Ji, The University of Manchester, UK

Prof. A. Kaveh, Iran University of Science & Technology, Iran

Prof. Kang Seok Lee, Chonnam National University, South Korea

Prof. Marcus M.K. Lee, the University of Southampton, UK

Prof. Zhuguo Li, Yamaguchi University, Japan

Prof. Hongnan Li, Dalian University of Technology, China

Prof. Zhengliang Li, Chongqing University, China

Prof. Zhengnong Li, Hunan University, China

Prof. Qiusheng Li, Hong Kong City University, Hong Kong

Prof. Aiqun Li, Southeast University, China

Prof. Hui Li, Harbin Institute of Technology, China

Prof. Shirong Li, Yangzhou University, China

Prof. Guangfan Li, Hainan University, China

Prof. Feng Liu, Guangdong University of Technology

Prof. Lijuan Li, Guangdong University of Technology

Prof. Tianqing Ling, Chongqing Jiaotong University, China

Prof. Ayman Mosallam, Univ of California Irvine, USA

Prof. Aftab Mufti, University of Manitoba, Canada

Prof. Antoine E. Naaman, University of Michigan, USA

Prof. Jianguo Nie, Tsing Hua University, China

Academician Prof. Wei Sun, Southeast University, China

Prof. Hamid Ronagh, The University of Queensland, Australia

Prof. R. Sri Ravindra rajah, University of Technology, Australia

Prof. Yaozong Shi, Highway Survey and Design Institute of Hainan Province

Prof. Ramiro Sofronie, University of Bucharest, Romania

Dr. Scott T. SMITH, Hong Kong University, Hong Kong

Prof. M. N. Soutsos, University of Liverpool, Liverpool, UK

Prof. Mark G Stewart, The University of Newcastle, Australia

Prof. J-G. Teng, Hong Kong Polytechnic University, Hong Kong

Prof. B. H. V. Topping, Heriot-Watt University, Edinburgh, UK

Prof. Tamon UEDA, Hokkaido University, Japan

Prof. Jinfeng Wang, Huaqiao University, China

Prof. Zhi-Shen Wu, Ibaraki University, Japan

Prof. Bo Wu, South China University of Technology, China

Prof. Hong Wang, Guizhou University, China

Prof. Yan Xiao, Hunan University, China

Prof. Shilang Xu, Zhejiang University, China

Senior Engineer. Jianxin Xu, China Communications Water Transportation Planning and Design Institute Co.,Ltd

Prof. Shanhua Xu, Xi'an Univ. of Architecture and Tech., China

Prof. Tao Xie, Guizhou University, China

Prof. Zhixin Yan, Lanzhou University, China

Prof. Jiru Zhang, Wuhan University of Technology, China

Prof. Chuangbin Zhou, Wuhan University, China

Prof. Lau Hieng Ho, Curtin University of Technology, Malaysia

Prof. Junan Shen, Georgia Southern University, USA

Prof. Mohammad Arif Kamal, Integral University, India

Conference Secretary

Prof. Guangfan Li, Hainan University, China
