

# Preface

The present book includes a set of accepted and selected papers from the third International Conference on Information Technology and Management Innovation (ICITMI 2014), held in Shenzhen, from 19 to 20 July 2014. Only accepted papers that belong to information technology and engineering field were selected for inclusion in this book. These selected papers reflect the interdisciplinary nature of the conference and the diversity of topics is an important feature of this conference, enabling an overall perception of several important scientific and technological trends.

We would like to express our appreciation to all the invited keynote speakers who took the time to contribute with a paper to this book. On behalf of the conference organizing committee, we would like to thank all participants. First of all to the authors, whose quality work is the essence of the conference and to the members of the program committee, who helped us with their expertise and time. As we all know, producing a conference requires the effort of many individuals. We wish to thank all the people for their invaluable work.
