

## Preface

The 2014 International Conference on Advanced Manufacturing Technology and Materials Engineering(AMTME2014) was held in Guangzhou, China on October 25th and 26th , 2014. AMTME 2014 aims to cover the recent advancement and trends in the area of manufacturing technology and materials engineering to promote knowledge sharing and networking interactions on emerging trends and new challenges.

The topics of the conference include New Materials, Advanced Materials, Materials Machining, Processing Technology, Surface Engineering, Forming Technology, Simulation of Manufacturing Processes, Manufacturing System, Automation, Intelligent Design, Mechanical Behavior, Fault Diagnosis Analysis, Manufacturing Machinery and Equipment.

We would like to express our sincere appreciations to all the referees for their constructive comments on the papers, as well as all the authors for their contributions to this book. Thanks are also given to Trans Tech Publications for producing this volume.

The Organizing Committee of AMTME 2014

# Conference Organization

## Chairman

Prof. Nathan Bowen, Georgia Institute of Technology, United States

Prof. Corrado Io Storto , University of Naples Federico II, Italy

## Organizing Committee

Prof. Mu yi Huang, Anhui Jianzhu University, China

Prof. Guangming Rao, Chongqing Technology and Business University, China

Prof. Jiwu Li, Zhejiang Gongshang University, China

Prof. Heping Li, Guilin University of Technology, China

Prof. Pingping Liu, Beijing Wuzi University, China

Prof. Song Sang, Ocean University of China, China

Prof. Xinrong Wen, Jiaying University, China

Prof. Cunxiang Liu, Guangxi Vocational and Technical College of Communications, China

Prof. Chuanfu Liu, South China University of Technology, China

Prof. Shuling Cui, Hebei University of Science & Technology, China

Prof. Yuanshu Jing, Nanjing University of Information Science and Technology, China

Prof. Daquan Zhang, Shanghai University of Electric Power, China

Prof. Yixin Su, Donghua University, China

Prof. Corrado Io Storto, University of Naples Federico II, Italy

Prof. Tetsuro Majima, Osaka University, Japan

Prof. George A . O'Doherty, Northeastern University, USA

Prof. Carlos Caceres, The University of Queensland, Australia

Prof. Lam Kin Che, The Chinese University of Hongkong, HK

Prof. Heinz-Gunter, Brokmeier, Technische Universitat Clausthal,Germany
