

## Preface

The 2015 3rd International Forum on Mechanical and Material Engineering was successfully taken place in Guangzhou, China, April 18-19, 2015 and served as a forum mainly for the Asia-Pacific community working in Mechanical and Material Engineering in order to facilitate aggregation and sharing interests and results for a better collaboration and activity visibility.

The organization of the world-wide conference requires the efforts of many people. We would like to thank all whose activity and effort contributed to its success. Many thanks go to authors of the papers and speakers, reviewers, chairmen of the sessions, poster session commissioners, and members of the Organizational Committee and also of the International Program Committee who propagate so widely the IFMME 2013, IFMME 2014 and IFMME 2015 conferences in the world. I would like to wish all the conference participants fruitful debates and successful presentations, a nice stay in Guangzhou.
