

Preface

VIII VII International scientific conference of young scientists «Electrical engineering. Electrotechnology. Energy» take place in Novosibirsk, Russian Federation, on the basis of Novosibirsk State Technical University from 9 to 12 th of June 2015.

Organizers of the conference are State budget educational institution of higher education “Novosibirsk State Technical University”, Autonomous non commercial organization “Interuniversity Center for Promoting Research and Innovative Activities of Students and Young Scientists”

The program includes more than 500 participants with more than 200 scientific researches. This proceedings gathers of the contributions of the participants from fifth countries. We are planning 6 subsections in to 3 main sections.

Languages of communications at the conference are Russian and English.

The site of the conference is <http://eee.nauka.edu54.ru/>

On behalf of the committees, we would like to welcome you in Novosibirsk and to wish you an exciting conference!

Organizers Committee

Chairman of the Programme and Organising Committees

Pustovoy Nikolai Vasilyevich

Dr. Sc. (Engineering) Professor, Rector of Novosibirsk State Technical University (NSTU)

Co-chairmen

Rastorguev Gennady Ivanovich

Dr. Sc. (Engineering), Professor, Senior Vice Rector

Gurova Elena Gennadievna

Cand. Sc. (Engineering), Associate professor,
Department of Electrotechnological Units,
Director of Center for Students' Scientific and Technical
Work;
Director of Interuniversity Center for Promoting
Research and Innovative Activities of Students and
Young Scientists

Shchurov Nikolai Ivanovich

Dr. Sc. (Engineering), Professor, Dean of Faculty of
Mechatronics and Automation

Sidorkin Yuri Mikhailovich

Cand. Sc. (Engineering), Associate Professor, Dean of
Faculty of Power Engineering

Programme Committee

Alifеров Alexander Ivanovich

Dr. Sc. (Engineering), Professor, Department of
Automation of Electric Technological Installations

Anosov Vladimir Nikolaevich

Dr. Sc. (Engineering), Professor, Department of Electric
Drive and Automation of Industrial Units

Fishov Alexander Georgievich

Dr. Sc. (Engineering), Professor, Department of
Automated Electrical Power Systems

Organising Committee

Alyabieva Alexandra Yurievna

Lecturer, Department of Foreign Languages (Technical
and Business Programs)

Beloglazov Aleksey Vladimirovich

Cand. Sc. (Engineering), Associate Professor,
Department of Power Stations

Borush Olesya Vladimirovna

Cand. Sc. (Engineering), Associate Professor,
Department of Heat and Power Stations

Birukov Valery Viktorovich

Cand. Sc. (Engineering), Associate Professor,
Department of Electrotechnological Units

Vlasov David Sergeevich

Cand. Sc. (Engineering), Second category engineer,
Department of Automation of Electric Technological
Installations

Gurov Michael Gennadievich

Engineer, JSC «Shvabe-Devices»

Dymov Ilya Sergeevich

Engineer, Center for Students' Scientific and Technical
Work

Kotin Denis Alekseevich

Cand. Sc. (Engineering), Associate Professor,
Department of Electric Drive and Automation of
Industrial Units

Kucher Ekaterina Sergeevna

Cand. Sc. (Engineering), Associate Professor,
Department of Electric Drive and Automation of
Industrial Units

Langeman Evelina Garrievna

Teaching Assistant, Department of Electrotechnological
Units

Makarov Stanislav Vladimirovich

Teaching Assistant, Department of Electrotechnological
Units

Mitrofanov Sergey Vladimirovich

Cand. Sc. (Engineering), Senior Lecturer, Department of
Industrial Power Supply Systems

Myatej Sergey Vladimirovich

Cand. Sc. (Engineering), Associate Professor,
Department of Electrotechnological Units

Pankrac Yury Vitalyevich

Cand. Sc. (Engineering), Associate Professor,
Department of Electric Drive and Automation of
Industrial Units

Rusina Anastasia Georgievna

Dr. Sc.(Engineering), Professor, Department of
Industrial Power Supply Systems

Skotnikov Andrey Alekseevich

Teaching Assistant, Department of Theoretical
Fundamentals of Electrical Engineering

Spiridonov Egor Alexandrovich

Associate professor, Department of Electrotechnological
Units

Strelnikova Daria Maksimovna

Engineer, Center for Students' Scientific and Technical
Work

Temlyakova Zoya Makeyeva

Dr. Sc. (Engineering), Professor, Department of
Electromechanics
