

Preface

Dear authors and readers of this publication:

Special Issue of International Conference entitled "*Research and Development in Mechanical Industry*" (RaDMI-2014) of periodical "*Applied Mechanics and Materials*" provides insight on modern approaches and methods presented by papers with latest experiences and development activities in investigation, production, design and use of new materials in field of *Mechanical Sciences*. This publication is realized by SaTCIP Publisher Ltd., Vrnjačka Banja, Serbia and High Technical Mechanical School of Professional Studies, Trstenik, Serbia and is a result of 14 years of International Conference RaDMI existence which continuously gathers researchers and scientists towards advancements of mechanical engineering.

This issue contains selection of scientific articles that present knowledge from researchers and scientists from several prominent universities and research institutes from all of the parts of the region and the World.

All articles published in this issue have been peer reviewed through processes administrated by editor and reviewers. Reviews were conducted by expert referees to the professional and scientific standards.

Predrag V. Dašić

Issue editor
