Preface&Committees

Assessment of Factors Affecting the Final Value of «Volume Loss» by TBM Tunneling A.A. Skvortsov and E.B. Cherepetskaya	1
Influence of Walkway Design on the Evacuation of Passengers within a Fixed Guideway Transit System A. McDaid	11
Scientific Principles for Shaping Underground Infrastructure of Megacities B.A. Kartoza and A.V. Korchak	17
Basic Directions of Improving the Durability of the Sewage Collector Lining E.Y. Kulikova	25
Investigation of Tubing Lining Loss of Tightness Causes A.A. Mishedchenko and A.V. Kuzina	33
Features of Numerical Modeling <i>In Situ</i> Stress State Massive of Rocky and Issues of Verification of the Data I.E. Sas and E.B. Cherepetskaya	36
The Impact of Construction Activities on Vegetation V. Pospíchal and H. Kurth	45
Study of Effects of Weathering Factors on Internal Structure of Rocks by Laser Ultrasonic Spectroscopy A.A. Karabutov, E.B. Cherepetskaya, Y.G. Sokolovskaya, D.V. Morozov and V.A. Vinnikov	51
Application of Stay Cable Systems in Large-Span Underground Construction A.V. Korchak, V.A. Pshenichny and A.V. Oborin	59
Improving the Efficiency of Artificial Ground Freezing in Urban Underground Construction by Using Solid Carbon Dioxide M. Shuplik and P. Nikolaev	65
Mathematical Model of the Painting Robot M. Bruzl, V. Usmanov, P. Svoboda and R. Šulc	72
Influence of Pipe Ramming on Stress State of Surrounding Soil and Nearby Tunnel Lining A. Pankratenko, N. Quang Huy, N. Duyen Phong, A.S. Samal, A.B. Begalinov and D.B. Amantolov	81
Relation of Construction Works to Water Quality P. Svoboda and H. Kurth	87
Protective Structure Design against Airblast Effect J. Štoller and P. Dvořák	93
The Effect of Redistribution of the Mixing Water of the Concrete Lining on its Quality Y. Kulikov	103
Environment Effects - Dust Pollution and Soil Protection P. Svoboda and H. Kurth	111
Contact Laser-Ultrasonic Evaluation of Residual Stress E.B. Cherepetskaya, A.A. Karabutov, E.A. Mironova, N.B. Podymova and A.N. Zharinov	118
New System of Ice Wall Strength Increase I. Palankoev	125
