

## Preface

The 21<sup>st</sup> International Conference on Czech Concrete Days 2014 was held in Hradec Králové, Czech Republic from November 26 till November 27, 2014. The conference was organised by Czech Concrete Society in Prague.

The conference was attended by 266 participants from the Czech Republic, Slovakia, Italy, Austria and Croatia.

Selected scientific papers are published in this scientific international journal.

The conference discusses recent results of research and technology, modelling and design, buildings, bridges, tunnels, reconstructions, codes, standards and certifications.

The conference organizers would like to thank all the speakers, session chairpersons, invited speakers and participants for making this conference successful.
