

## Preface

Remark by the Rector of Universitas Islam Indonesia

Assalamu'alaikum Warahmatullahi Wabarokatuh

Universitas Islam Indonesia congratulates the organizer for conducting a successful scientific event, the 2<sup>nd</sup> International Seminar on Science and Technology (ISSTEC), November 25, 2019, in Yogyakarta, Indonesia.

The progress of our world is inseparable from science and technology. These are an essential field that has direct contributions for sustainable development of our society. Universitas Islam Indonesia is very delighted to witness that in this conference experience and young scientist, as well as students, come and sit together to share knowledge, discuss research result, brainstorm ideas and motivate each other to promote the advancement of the scientific competence that will impact to the continual development of the society, nations and environment for brighter future.

On behalf of Universitas Islam Indonesia, I thank and welcome our keynotes, invited speakers, and all participants who attend this international conference. I hope you enjoy the pleasant scientific atmosphere at the conference, be actively involved, make new collaborations, and have fruitful meetings.

Wassalamu'alaikum Warahmatullahi Wabarokatuh

Sincerely yours,

Prof. Fathul Wahid, S.T., M.Sc., Ph.D.  
Rector of Universitas Islam Indonesia
