

Preface

It is our pleasure to welcome you to the 2013 International Conference on Metallic Materials and Manufacturing Technology (ICMMMT 2013) in Harbin, China. ICMMMT 2013 is the first conference dedicated to issues related to Researching of Metals, Metallic Materials, Alloys and Industrial Technologies their Manufacture and Processing and other related topics. A major goal and feature of it is to bring academic scientists, engineers, industry researchers together to exchange and share their experiences and research results, and discuss the practical challenges encountered and the solutions adopted.

We hope you will have a technically rewarding experience, and use this occasion to meet old friends and make many new ones. Don't miss the opportunity to explore in Harbin, China. And don't forget to take a sample of the many and diverse attractions in the rest of the China.

ICMMMT 2013 promises to be both stimulating and informative with a wonderful array of keynote and invited speakers from all over the world. Delegates will have a wide range of sessions to choose from and will have a difficult decision in deciding which sessions to attend.

We would like to thank the organization staff, the members of the program committees and reviewers. They have worked very hard in reviewing papers and making valuable suggestions for the authors to improve their work. We also would like to express our gratitude to the external reviewers, for providing extra helps in the review process, and the authors for contributing their research result to the conference. Special thanks go to TTP Publisher.

We wish all attendees of the ICMMMT 2013 an enjoyable scientific gathering in Harbin, China. We look forward to seeing all of you next year at the conference.
