

## Preface

2013The 4th International Conference on Computing, Control and Industrial Engineering (CCIE2013) will be held by Wuhan University of Technology from 27-28, October. The conference is sponsored by Wuhan University of Technology, Hubei Mechanical Engineering Society, Huazhong University of Science and Technology, China University of Geosciences (Wuhan), Hubei University of Technology, Caterpillar Inc. of American and Ordos College of Inner Mongolia University and it lasted two days. It is expected to have about more than 150 delegates and scholars from many countries and regions participating in and 15 are foreigners.

The conference is a periodic meeting and it has successful experience, it has been held three times from 2010 to 2012. According to the requirements of previous representatives, the 4th conference will provide an idea-exchange and discussion platform for the researchers. So that they can discuss the applications of computing, control technology and Industrial Engineering. And it will promote the development of the fields.

The well-known experts and scholars will be invited to the conference to give reports and exchange their achievement in groups within two days. The conference papers will be published and will be submitted to the EI and ISTP indexing. And 15 outstanding papers will be selected to indexed by SCI (E). And participants, scholars and the engineering and technical personnel from home and abroad will be welcomed.

The 4th International Conference on Computing, Control and Industrial Engineering (CCIE2013) will be published by **TTP Press, Advanced Materials Research, ISSN:1662-8985.**

All published papers will be indexed by EI AND ISTP within 3-4 months after the conference ends.

### **The details of the previous conferences are as follows:**

1. 2010 The 1st International Conference on Computing, Control and Industrial Engineering (CCIE2010). China University of Geosciences (Wuhan). Conference Venue: Chuyuan Hotel of Wuhan, 198 delegates participated in the meeting. The type of the paper's index: EI and ISTP, The amount of the indexing is 220.

2, 2011 The 2nd International Conference on Computing, Control and Industrial Engineering (CCIE2011). Huazhong University of Science and Technology.

Conference Venue: Wuhan International Academic Exchange Center of Huazhong University of Science and Technology, 211 delegates participated in the meeting. The type of the paper's index: EI and ISTP. The amount of the indexing: 210.

3, 2012 The 3rd International Conference on Computing, Control and Industrial Engineering (CCIE2012). Hubei University of Technology.

Conference Venue: Students Center of Hubei University of Technology, 205 delegates participated in the meeting. The type of the paper's index: EI and ISTP. The amount of the indexing: 155.

Online information please see : <http://www.ccieconference.org/>

Conference Chair of CCIE 2013  
27- 28, October, 2013

# **2013 The 4th International Conference on Computing, Control and Industrial Engineering (CCIE2013)**

27- 28, October,2013  
Wuhan, Hubei , China

## **Organization**

### **CCIE 2013 is organized by**

Wuhan University of Technology

### **Co-Sponsored by**

Huazhong University of Science and Technology

China University of Geosciences (Wuhan)

Hubei University of Technology

Inner Mongolia University

Caterpillar Inc

Hubei Mechanical Engineering Society

## **Committees**

### **Conference Chairman and Vice Chairmen**

Prof. Zude Zhou, Wuhan University of Technology

Prof. Chaganbuter, Ordos College of Inner Mongolia University

### **Conference Vice Chairmen**

Prof. Shunsheng Guo, Wuhan University of Technology

Prof. Anping, Liu China University of Geosciences (Wuhan)

Prof. Daxing Zhao, Hubei University of Technology

### **Chairman of Program**

Prof. Hong Lu, Wuhan University of Technology

### **Vice Chairman of Program**

Wancheng Chen, Hubei Mechanical Engineering Society

Prof. Guoqiang Xu, Mulberry Delan University, UK

Prof. Aihua Xia, The University of Melbourne, Australia

### **Program Committee Members**

Prof. Fuwu Yan, Wuhan University of Technology

Prof. Shengwu Xiong, Wuhan University of Technology

Prof. Jianmu Ye, Wuhan University of Technology

Prof. Liexiang Yan, Wuhan University of Technology

Prof. Jie Yang, Wuhan University of Technology

Prof. Yuepeng Chen, Wuhan University of Technology

Prof. Xiaoxue Li, Ordos College of Inner Mongolia University  
Prof. Xiaojin Li, Wuhan University of Technology  
Prof. Guohui Li, Huazhong University of Science and Technology  
Prof. Ke Shi, Huazhong University of Science and Technology  
Prof. Yindong Shen, Huazhong University of Science and Technology  
Prof. Renbin Xiao, Huazhong University of Science and Technology  
Prof. Zailin Guan, Huazhong University of Science and Technology  
Prof. Fang Peng, China University of Geosciences (Wuhan)  
Prof. Xing Li, China University of Geosciences (Wuhan)  
Prof. Gang Feng, City University of Hong Kong  
Dr. Weidong Li, Coventry University, UK  
Prof. Xiaoping Li, National University of Singapore  
Prof. George Q. Huang, University of Hong Kong  
Prof. Chih-Hsing Chu, Tsinghua University  
Prof. Li Zheng, Tsinghua University  
Prof. Yiming Rong, Tsinghua University  
Prof. Leyuan Shi, Peking University  
Prof. Zhibin Jiang, Shanghai Jiao Tong University  
Prof. Jie Zhang, Shanghai Jiao Tong University  
Prof. Pingyu Jiang, Xi'an Jiaotong University  
Prof. Renzhong Tang, Zhejiang University  
Prof. Shuping Yi, Chongqing University  
Prof. Fansen Kong, Jilin University
