

Preface

We are proud to present this selection of research papers from the 1st International Conference on Applied Engineering, Sciences, Technology and Innovation (AESTI 2023, November 6, 2023, Universitas Teuku Umar, Meulaboh, Aceh Barat, Indonesia). The articles discuss the latest research and advanced development works in civil engineering, infrastructure, project management and renewable energy engineering. The collection reflects information about the research activities in various countries since the authors came from Indonesia, Malaysia, Japan, Vietnam, Thailand and Taiwan.

On behalf of the organizing committee, we extend sincere gratitude to Prof. Dr. Syamsidik, S.T., M.Sc; Assoc. Prof. Muhammad Aziz; Assoc. Prof. Huang Chih Yuan; Assoc. Prof. Dr. Ahmad Faisal Bin Muhammad Ayob; and Dr. Nguyen Minh Tien for sharing their knowledge and insights. Special thanks are awarded to the reviewers and the entire editorial team for their effort in the review and editing of the manuscripts. Appreciation is also extended to the staff of Material Science and Engineering for their full cooperation during the preparation of this compilation of research papers.
