

## Subscription/Periodical Rates 2018 (EUR) for AGENCY

The electronic versions are published on the web in full text (same contents as in the print edition). Access is granted via IP address/IP range(s). The mentioned web prices are **for one campus only**. For prices for more than one campus please contact us directly, informing us about the amount of campuses and researchers per campus. Additional volumes published with year 2017 will be mailed to the print customers which are ordering 2018. Backvolumes are available with higher discounts.

Please contact us at [subscriptions@scientific.net](mailto:subscriptions@scientific.net)
