Preface

Chapter 1: Transition to a Sustainable Development

Comprehensive Analysis of Clean Mobility Technologies, Sustainability Evaluation, Pathways, and Policies for Transitioning Energy Markets for Sustainable Development M. Kumar, N. Nadeem, V. Solanki and A. Abhishek	3
Driving towards the Future: A Comprehensive Analysis of Plasma Thruster Developments A. Chawla, A. Bansal, A. Goyal, S. Mathur, S. Khurana, L. Chutani and V. Bhardwaj	15
Review of Applications and Challenges in Adoption of Industry 4.0 in Agriculture Sector A. Tiwari and N.R. Chauhan	21
Dimension of Space: A Missing Link for Comprehensive Assessment of Product Sustainability A. Gautam, Z.A. Khan, A. Gani and M. Asjad	29

Chapter 2: Biolubricants, Biofuel and Water Desalination

Study on the Tribological and Physiochemical Properties of Algae Oil as a Sustainable Green Lubricant P. Singh and N.R. Chauhan	47
Tribological Analysis of a Prunus Armeniaca Biolubricant under Various Temperature Conditions and its Performance in the Field of Journal Bearing A. Kumar, R. Chaudhary and R.C. Singh	53
Effect of Hybrid Nano-Additives on Performance of Biofuel in Diesel Engine R. Yadav, N. Sangwan and N.R. Chauhan	67
Determination of Minimum Energy Consumption of an Industrial Reverse Osmosis Desalination System G. Aggarwal and S.S. Kachhwaha	79

Chapter 3: Thermal Engineering

Energy and Exergy Analysis of Vapor Compression Refrigeration System with Integrated Mechanical Subcooling Using R134a, R450a, R513a, and R515a K. Singh, N. Solanki, D. Joshi, D. Chowdhury and V. Jain	89
Thermodynamic Analysis of Vapour Compression Refrigeration System with Dedicated Mechanical Sub-Cooling S. Tiwari, P. Kumar, V. Mudgal, J. Singh, V. Vinay, S.N. Jha, V. Jain and K. Mudgil	103
Enhancement of Heat Transfer Performance of a Fin Tube Heat Exchanger Using Modified Delta Winglet Vortex Generator A. Sheoran, P. Gahlot, N. Kaushik and S. Gupta	117

Chapter 4: Biomedical Engineering

FEA of Stress Distribution for Second Molar Dental Crown N.R. Chauhan, R. Bhadani, S. Bansal, S. Maurya, A. Aashika and R. Kumar	131
Lessons Learned from COVID-19 Pandemic and its Devastating Effects on the Hospitality/Service Industry: Qualitative Data Analysis from Indian Viewpoint S. Khurana, V. Bhardwaj, S. Mathur, A. Goyal, A. Bansal, A. Chawla and L. Chutani	139
