

## Preface

The Jakarta International Conference on Multidisciplinary Studies Towards Creative Industries (JICOMS), a distinguished international conference hosted by Politeknik Negeri Media Kreatif (Polimedia) in Jakarta, Indonesia, ushered in a new era of multidisciplinary research collaboration in the field of creative media.

The topic of the 3rd JICOMS 2024 is "Creative Industries in the Digital Era: A Multidisciplinary Research Collaboration." The conference explored various aspects, including digital media, industrial technology in creative media, tourism and hospitality, fashion and lifestyle, and information technology.

The presented edition focuses on advanced technologies for the printing industry and will be helpful to many researchers and engineers in this area.
