

Table of Contents

Foreword

Study of Microleakage between Teeth and Glass Ionomer Cement Modified with 5% Silica from Sea Sand

I. Sundari, V. Diansari, L. Rahmayani, D. Septiani and D.A. Ginting 1

Root Canal Retreatment and Intracoronary Bleaching on the Maxillary First Premolar

C. Carissa, T. Nugraheni and Y. Kristanti 10

Retreatment and Restoration Using Individual Formable Fibre Post and Crown - Case Report

R. Wanodyatama, T.E. Untara and T. Nugraheni 15

Root Canal Treatment and Endodontic Surgery on Maxillary Incisor with Radicular Cyst

D. Yoanita, K. Yulita and S. Pribadi 22

Management of Ellis Class III Fracture in Two Maxillary Incisives

N.I. Sari, D.N. Ratih and P. Santosa 29

Endodontic Retreatment and Comprehensive Endo-Prosthetic of Premolars: A Case Report

F.S. Rahayu, P. Santosa and T. Nugraheni 34

The Effect of Black Cumin (*Nigella sativa* sp.) Gel Extract in Wound Healing Process Post Tooth Extraction

R.S. Dalimunte, O.A. Hanafiah and H. Rusdy 41

Early Childhood Caries and its Correlation with Secretory Immunoglobulin A

E. Octiara, H. Sutadi, Y. Siregar and A. Primasari 47

Phyto Effect of *Punica granatum* on the Remodelling of Maxilla Bone, Study of Osteoblast and Osteoclast

Edrizal, A. Trimurni and D.P. Putra 54

Surface Microstructure Study of Self Cured Acrylic Resin after Immersion in Arabica Gayo Coffee

V. Diansari, Subhaini and A. Putri 62

Glass Ionomer Cement (GIC) Surface Hardness after Addition of 5% Silica from Sea Sand

P.A. Sofya, L. Rahmayani and A. Saputra 70

The Effects of Alcohol and Non-Alcohol Mouthwash on Oral Cavity Environmental Alterations (Salivary pH and Plaque Index)

Y. Lindawati, G. Nazriyanti, P.W.U. Ritonga and I.P. Sari 77

Formulation and Evaluation of *Binahong* Leaves Extract Gel on Wound Healing of the Palatal Mucosa

O.A. Hanafiah, A. Trimurni, S. Ilyas, M. Nainggolan and E. Syamsudin 85

Apicoectomy and Enucleation on Maxillary Lateral Incisor with Radicular Cyst

F.H. Dian, Y. Kristanti and W. Hadriyanto 92

Color Stability of Glass Ionomer Cement (GIC) Modified with Silica from Beach Sand after Immersion in Arabica Gayo Coffee

L. Rahmayani, I. Sundari, D.S. Ningsih, P.A. Sofya and R. Nasution 99

The Effect of Cheese and Milk on Buffering Capacity of Saliva in Children 10-12 Years

S. Sungkar, S. Chismirina, A.I. Nasution and H.K. Imaduddin 105

Antibacterial Effects of *Calotropis gigantea* (L) Extracts on *Porphyromonas gingivalis*

Z.M. Alibasyah, D.S. Ningsih, Sunnati, R. Andayani and N.P. Ranggaswuni 111

The Antibacterial Effect of Soursop Leaf Extract on *Staphylococcus aureus* ATCC® 25923™ (In Vitro)

M. Nasution, S. Amelia and K.A. Hasibuan 119

The Complications of Biologic Width in Esthetic Anterior Restorations: A Case Report and Review

Syahrial 126

The Relationship of Modulus of Elasticity and Micro-Hardness of Denture Bases to Pressure Transmission under the Thermoplastic Nylon Denture Base

I. Andryas and H. Nasution 134

Correlation between Immunoeexpression P53 and Human Telomerase Reverse Transcriptase (hTERT) with Grading of Oral Squamous Cell Carcinoma

I. Isnandar, H.Y. Yusuf and B.S. Hernowo 141
