

# Preface

The 6<sup>th</sup> KKU International Engineering Conference 2016 (KKU-IENC 2016) was held during August 3-5<sup>th</sup>, 2016, in the City of Khon Kean, Thailand. The conference is held every other year to serve as a venue for academics, researchers, engineers, scientists and workers in various fields of science and technology, to exchange knowledge, ideas, experience and expertise.

All the papers submitted to this conference have been subjected to a rigorous peer-review process based on originality and quality.

The organizing committee would like to thank all the reviewers for their diligent comments that help improve manuscripts.
