

# Preface

The ICMSE 2016 is an annual international conference on International Conference on Material Science and Engineering. (ICMSE 2016) took place in at Guangzhou, China, on June 24-26, 2016. The conference program covered invited, oral, and poster presentations from scientists working in similar areas to establish platforms for collaborative research projects in this field. This conference will bring together leaders from industry and academia to exchange and share their experiences, present research results, explore collaborations and to spark new ideas, with the aim of developing new projects and exploiting new technology in this field.

The book is a collection of accepted papers. All these accepted papers were subjected to strict peer-reviewing by 2-3 expert referees, including preliminary review process conducted by conference editors and committee members before their publication. The committee of ICMSE 2016 expresses their sincere thanks to all authors for their high-quality research papers and careful presentations. All reviewers are also thanked for their careful comments and advices. Thanks are finally given to Trans Tech Publication as well for producing this volume.
