

Preface

2016 International Conference on Material Science and Engineering Technology was held during October 14-16, 2016 in Phuket, Thailand and this book proceeding contains some of the contributions presented at the conference.

The primary objective of ICMSET 2016 is to provide a world class forum for exchange original ideas and new information, latest research and discussing scientific. Also it to bring together academics, scientists, engineers, postgraduates and other professionals in the area of material science and engineering technology from all over the world.

The proceedings introduce to the readers with newest researches results and findings in the field of Material Engineering and Science, Material Mechanics and, Manufacturing, Constructional Material and Structural Application, Material Design, Simulation and Analysis.

On behalf of the conference organizing committee, we would like to express our sincere appreciation to the keynote speakers, for their excellent and inspirational speeches, the reviewers, for their valuable inputs for improving the scientific content of these papers. We also would like to thank every technical committee member and author who has contributed to the success of the conference.

The Organizing Committee of ICMSET 2016

Committee Chair

Prof. Jong Won Jung, Louisiana State University

Department of Civil and Environmental Engineering

Committee

Organizer

Prof. Jong Won Jung	Louisiana State University Department of Civil and Environmental Engineering
---------------------	---

Secretary

Kihyun Jung	ICMSET Committee
-------------	------------------

Associate Editors

Prof. Wichaël P. Wistuba	Pavement Engineering Centre
Prof. Zhenya Chen	North University of China
Prof. Wasim H. Dal	Harbin Engineering University, China

Technical Committee

Prof. Tebaldi Gabriele	University of Parma, Italy
Dr. Moonki Hoon	Korea Expressway Corporation Research Institute
