

Preface

The 3rd International Conference on Material Engineering and Application (3rd ICMEA 2018) was taken place in Hong Kong during August 10-12, 2018.

This conference brought together leaders from industry and academia to exchange and share their experiences, present research results, explore collaborations and to spark new ideas, with the aim of developing new projects and exploiting new technology in the field of applied materials and advanced materials processing technologies.

The committee of ICMEA 2018 expresses their sincere thanks to all authors for their high-quality research papers and careful presentations. All reviewers are also thanked for their careful comments and advices. Thanks are finally given to Trans Tech Publication as well for producing this volume.

The Organizing Committee of ICMEA 2018

Committee Chair

Prof. Mosbeh Kaloop Incheon National University
Incheon Disaster Prevention Research Center

Committee

Organizer

Prof. Mosbeh Kaloop	Incheon Disaster Prevention Research Center, Incheon National University
Prof. Jongwan Hu	Incheon Disaster Prevention Research Center, Incheon National University

Secretary

Hongki Son	Incheon Disaster Prevention Research Center
------------	---

Associate Editors

Prof. Mosbeh Kaloop	Incheon National University
Prof. Jongwan Hu	Incheon National University

Technical Committee

Prof. I. Mansouri	Birjand University of Technology
Prof. Sungwan Kim	Incheon National University
Prof. Jungkyu Ahn	Incheon National University

Sponsors

Incheon Disaster Prevention Research Center (IDPRC)

Recently, various efforts to prevent and prepare are vitally needed for prevention of Disasters and calamities. So we understand the necessity for technology of disaster and we built up the Incheon Disaster Prevention Research Center (IDPRC) in Incheon National University (INU) in 1997.

Accordingly, Incheon Disaster Prevention Research Center (IDPRC) in Incheon National University has progressed of research on the prevention of disasters and calamities through the various seminars, conference and lectures. These research could be conducted cooperation with Incheon National University (INU) in various fields structure, soil, hydraulic and environment.

Incheon Disaster Prevention Research Center (IDPRC) will try to be a leader in the disaster of industry through the various research activities and global conference.

Incheon National University

Incheon National University established a global campus by integrating two city council funded colleges into one in March 2010 and became a national university operated by the legal entity. With the start of attracting the branch of Lawrence Berkeley Research Center that is a world famous US national policy research center for education and research, Incheon National University will attract St. Petersburg University in Russia, Polymers University in Britain, and Kent University in Belgium and other foreign universities and research centers. These efforts will make INU spring to a world-wide competitive university.

As a local development leading university, Incheon National University established INU VISON 2020 and improved its competition actively through investment in selection and concentration. In compliance with the geographic feature and areal specialty, it will concentrate on the international trade, goods distribution, applied technology convergence, BNT-based life science, urban science and the sinology- based local humanity fields.
