

Preface

This volume is the collection of papers presented at the International Conference and Exhibition on Pharmaceutical Sciences and Technology 2019 (PST 2019) taken place at the Ambassador Bangkok Hotel, Bangkok, Thailand on 18-19 June 2019 which brought together multidisciplinary researchers from academia, industry and government, and provide valuable opportunities for international networking and knowledge exchange.

The PST 2019 conference provided a forum for discussion and knowledge sharing on the recent discovery and accomplishment in the area of pharmaceutical engineering and pharmaceutical sciences, pharmaceutical materials, nano-products, polymers, cosmetics, and material processing which encourage the innovation development of pharmaceutical materials and technology as well as technology transfer toward researchers and industries. The conference has attracted a lot of researchers and industry practitioners which almost 200 delegates from the United Kingdom, South Korea, China, Japan, Philippine, Myanmar and Thailand attended the conference.

All those who supported PST 2019 conference, including all the authors submitted abstract, proceeding and papers to PST 2019 conference as well as the reviewers who reviewed the submitted manuscript, are acknowledged for the success of this meeting. We also would like to thanks the organizing committees and scientific committees for their contribution and devotion to the organization of the conference.
