

Preface

The Fourth International Conference on New Material and Chemical Industry (NMCI2019) was successfully held in Xiamen, China during November 16-18, 2019. The conference was an annual forum for researchers and application developers in the area of materials science and chemical industry.

This conference proceeding included 46 accepted articles selected from 124 submissions.

We would like to express our gratitude to the reviewers of these manuscripts, who provided constructive criticism and stimulated comments and suggestions to the authors. We are extremely grateful as organizers, technical program committee and editors and extend our most sincere thanks to all the authors for their excellent contribution and work. Our sincere gratitude also goes to the Trans Tech Publications Ltd editors and managers for their helpful cooperation during the preparation of the proceeding.
