

Preface

It was a great honor to extend a warm invitation to the 5th International Conference on Composite Materials and Material Engineering (ICCMME2020). The Conference was held at Yonsei University, Seoul, South Korea during January 13-16, 2020. ICCMME2020 was co-organized by South Asia Institute of Science and Engineering (SAISE) and Yonsei University, South Korea.

ICCMME is one of the most important conferences that bring our members together from around the world to share professional experiences, expand our professional networks, and receive updates on the latest advances in the field of composite materials and material engineering.

The ICCMME conferences are organized every year in rotation with the Asian countries. Following the success of the 1st ICCMME2016 in Bangkok Thailand, the 2nd ICCMME2017 in Chengdu China, the 3rd ICCMME2018 in Singapore and the 4th ICCMME2019 in Tokyo Japan, we hoped to bring you another exciting conference in Seoul, South Korea in 2020.

ICCMME2020 prepared diverse programs, included plenary, keynote, oral, and poster sessions and social events. We were ready to reach out and listen to various and valuable voices from professionals and industry colleagues globally and were willing to reflect their wishes into the program, served as a bridge between them and beyond.

The venue of ICCMME2020 was Yonsei University, a top private university in Seoul, South Korea. It is one of Korea's three SKY universities, a group of universities widely regarded as the most prestigious in the country. Yonsei was established in 1885 and is one of the oldest universities in South Korea. The student body consists of 26,731 undergraduate students, 11,994 graduate students, 4,518 faculty members, 6,788 staff, and 257,931 alumni. Yonsei operates its main campus in Seoul and offers graduate, postgraduate and doctoral programs in Korean and English.

As a program chair of ICCMME2020, we were certain that ICCMME2020 was a memorable experience for you both on personal and professional grounds. Your participation made the conference more valuable and successful. We believed that this conference surely serve as one of the most rewarding and memorable meetings for all of us.
