

Preface

The 8th International Forum on Advanced Materials Science and Technology (IFAMST-8), was held in Fukuoka Institute of Technology, Fukuoka City, Japan, August 1-4, 2012. The forum attracted about 200 attendees from 10 different countries. During the forum, 120 papers covering a wide range of materials topics were presented as oral or poster presentations.

We would like to thank the advisory committee members, organizing committee members, session chairs, presenters and forum attendees for their efforts and enthusiasm in planning and participating. Particularly, we very appreciate the plenary lecturers: Professor Akira Fujishima in Tokyo University of Science, Japan; Professor Robert O. Ritchie in University of California at Berkley, USA; Professor Yiu-Wing Mai in University of Sydney, Australia; Professor Yutaka Kagawa in the University of Tokyo, Japan; Professor Jian Lu in City University of Hong Kong, China; Professor Lei Jiang in Chinese Academy of Sciences, China; Professor Tong-Yi Zhang in Hong Kong University of Science and Technology, China.

The 79 papers presented at IFAMST-8 are accepted for publication in this volume following a peer-review process. We sincerely thank the authors who have contributed to this volume and the reviewers who reviewed the submitted manuscripts. We appreciate the local organizing committee members, especially the general secretary Professor Yukiko Nakahara in Junshin Gakuen University for their great contribution. Thanks to Director Mr. Thomas Wöhlbier, Production Team Members Ms. Anne Wöhlbier, Ms. Saskia Schuetz, Ms. Tanja Lüthi, Ms. Dorte Kristensen of Trans Tech Publications Ltd. for their kindest support and collaboration for editing and publishing this volume
