Preface

Chapter 1: Biomedical Devices and Systems

PillWise Medication System: An Iot Treatment Automizer with Adherence Analyzer D. Bishara and D.A. Aguilar	3
Design of a Customized Thumb Prosthesis: Focus on Functionality and Comfort C.J. Coello Martinez and F.d.L. Cáceres Lagos	17
Enhancing Deaf Athletes' Performance: Vibrating Wristband for Referee Whistle Detection on Recreational Sports Using Wi-Fi D.A. Rubio Molina and M.J. Martínez Zapata	27
Assessing the Reliability of OpenCap and OpenSim as Open Source Softwares for Biomechanical Analysis in Neurological Rehabilitation: A Case Study A. Mejia Bronfield and K.M. Reyes Leiva	37

Chapter 2: Health Informatics

Adverse Event Management Tool for Hospitals: A Game-Changer for Patient Safety R. Valle, G. Cribas and A.L. Ramírez	49
Securing Clinical Data in Honduras: Exploring Cybersecurity Regulations and the Role of Blockchain J.A. García	61

Chapter 3: Measurements, Sensing and Monitoring

Convolutional Neural Network for the Detection of Cocoa Maturity with an Approach for the Analysis of Images Captured at Different Distances J.A.M. Rivera and A.M. Reyes-Duke	75
Low Cost CO2 Sensor Prototype with IoT E.A. Galindo Talhami, O. Aguiluz and M. Martínez-Rangel	81
Development of a Web-Based Diagnostic Tool Using Acoustic Testing and Computer Vision E.E. Cardona, A.A. Rodríguez Zepeda and A.M. Carrasco Bardales	93
Synaptic Weights in a Neuromemristive Radioisotope Classifier J.I. Canales-Verdial	109

Chapter 4: Robotics

Gesture-Based Control of an OMRON Viper 650 Robot G.A. Alvarado García and F.E. Núñez Rodríguez	121
The Use of the Internet of Things in Robotics (IoTR) I.A. Magomedov, M.M. Matygov and U. Mochiev	133
Design and Development of a Soft Pneumatic Gripper for Precise Grasping of Fragile Objects A.A. Kattan Urrutia and A.M. Carrasco Bardales	141

Chapter 5: Engineering Management

Teaching Entrepreneurship in Civil Engineering and Architecture: Self-Diagnosis of Competencies in University Professors V.A. Ochoa, H. Osorto and A.S. Rodriguez	157
---	-----

Evaluation of Neural Network and Logit Models for Classification of Default in Banking Loans	
W.J. López Flores	169
Analysis of Variation in Coffee Cupping Tasting in Different Environments	
J.C. Guerra, L. Guardiola, J. Alvarado and M.E. Perdomo	181
Coastal Fouling Impact in Solar Modules Efficiency in the Atlantic Region of Honduras	
D.L. Terreros-Martínez and A.M. Reyes-Duke	193
