Preface

A Pathological Mini-Atlas of Microbiologically Influenced Corrosion and Deterioration (MIC / MID) Cases

R. Javaherdashti	1
A few Words about this Book and its Title	3
Introduction	5
Chapter 1: Microbiologically Influenced Corrosion (MIC)	11
Chapter 2: Microbiologically Influenced Deterioration (MID)	33
Chapter 3: Assessment of Detection, Treatment, and Monitoring in MIC/MID	37
Chapter 4: Reactive Corrosion Management” (RCM) and “Proactive Corrosion Management” (PCM) with a Focus on MIC/MID	51
Chapter 5: Root Cause Analysis: Industrial Challenges and Alternative Aspects	55
Chapter 6: A Few Myths about MIC/MID	67
Chapter 7: “Arkhipov” Decision: Ethics Involved in Inspection and Reporting	75
Chapter 8: MIC/MID and Standards	87
Chapter 9: Special Section on Anti-Microbial Coating	97
Chapter 10: Pouring an Ocean into a Cup, Summarising a Book in a Chapter	107
Gallery	117
References to Consult with which are Not Used in the Text, Provided by the Contributors	157
