

Table of Contents

Introduction	1
Diffusion in Metals, Alloys, and Intermetallic Compounds	11
Diffusion in Simple and Complex Oxides, their Mixtures and Solutions	51
Diffusion in Halides	67
Diffusion in Miscellaneous Substances	75
References and Indexes	91
Author Index and List of Institution	115
Diffusion in Solid Metals and Alloys	119
Diffusion in Simple and Complex Oxides, their Mixtures and Solutions	185
Diffusion in Halides	201
Diffusion in Miscellaneous Substances	209
References, Experimental Techniques and Reviews	229
Diffusion in Solid Metals and Alloys	261
Diffusion in Simple and Complex Oxides, their Mixtures and Solutions	313
Diffusion in Halides	329
Diffusion in Miscellaneous Substances	335
References and Indexes	351
Introduction	365
Diffusion in Metals, Alloys, and Intermetallic Compounds	375
Diffusion in Simple and Complex Oxides, their Mixtures and Solutions	469
Diffusion in Halides	495
Diffusion in Miscellaneous Substances	513
References, Experimental Techniques and Reviews	531
