

Table of Contents

Preface

Mechanisms of Silicide Formation by Reactive Diffusion in Thin Films

D. Mangelinck 1

Diffusion Rates of Components in Metal-Silicides Depending on Atomic Number of Refractory Metal Component

A. Paul 29

Diffusion-Limited Reactions of Non-Oxide Ceramics with Transition Metals

A. Kodentsov 85

Oxidation Behavior of Silicides

R. Mitra 127

Periodic Layer Formation during Multiphase Diffusion in Silicide Systems

A. Kodentsov, J. Wojewoda-Budka and A. Wierzbicka-Miernik 157
