

Table of Contents

Foreword and Preface**Self Diffusion in Pure Metals**

J.N. Mundy 1

Diffusion in Dilute Substitutional Alloys: Some Comments

A.D. Le Claire 19

Tracer Diffusion in Homogeneous and Heterogeneous Alloys

D.L. Beke 31

Intermetallic Compounds

H. Wever 55

Diffusion in Multicomponent Alloys: Challenges and Problems

M.A. Dayananda 73

Hydrogen Diffusion in Metals - Unsolved Problems

Y. Fukai and H. Sugimoto 87

Diffusion in Carbides and Nitrides: Unsolved Problems

H. Matzke 111

Unsolved Problems Associated with Grain Boundary Diffusion

G.R. Purdy 131

Diffusion in Thin Films

K.N. Tu 141

Diffusion and Relaxation Processes in Non Crystalline Solids

Y. Limoge 145

Diffusion in Semiconductors - Unsolved Problems

U.M. Gösele and T.Y. Tan 189

Diffusion in Ionic Solids: Unsolved Problems

A.L. Laskar 207

Diffusion in Fast-Ion Conductors: Unsolved Problems

A.V. Chadwick 235

Diffusion in Oxides - Unsolved Problems

C.J.A. Monty 259
