

Table of Contents

Iron Oxide Nanoparticles Preparation by Using Homemade Hydrothermal Pyrolysis Technique with Different Reaction Times

A.B. Taha, M.S. Essa and B.T. Chiad

1

Production of Nanocomposite Tungsten Carbide Buttons by Mixing with Co and ZrO₂ Nanopowders

A. Alhazza

11

Preliminary Study of Modified Fluorescent Silica Nanoparticles for the Detection of IgY Antibody

F. Apriyani, D. Julyansyah, M. Angelina, A. Randy, R.V. Manurung, B. Yuliarto and S.N.A. Jenie

19

Comparative X-Ray Diffraction (XRD) Study on the Synthesis of Natural Based Magnetic Silica Nanoparticles

M.Y. Maulana, B. Yuliarto, S.N.A. Jenie and N.L.W. Septiani

25

Biosynthesis of Silver Nano/Micro-Particles Using *Sambiloto* (*Andrographis paniculata*) Leaves Extract: Effect of AgNO₃ Solution Concentrations

A. Chafidz, P. Hidayat, S. Maulana, E.H. Ramadhan, H. Prasetiawan, M. Kaavessina and N. Hendrawati

33

One-Pot Preparation of Carboxyl Cellulose Nanofibers from Banana Peel Using Nitro-Oxidation Method

D.V. Nguyen, H.T.N. Nguyen, H.N. Nguyen, H.H. Lam, T.M. Tran Thuy, N.T.H. Duong and L.Q. Nguyen

39
