

Table of Contents

Preface

Study on the Effects of Technology Parameters on the Water Absorption and the Thickness Swelling of the Pressed Bamboo Pulp Plywood T.N. Nguyen, T. Vo and T.V. Hung	1
A Research of Optimization of the Forming Parameters to the Minimum Radial Dimension Error when Forming Sheet by HOTSPIF Technology T. Vo, T.N. Nguyen, T.H. Nguyen and S. Antonov	13
Study on the Effects of Technology Parameters on the Bending Strength of Press Bamboo Powder Plywood T. Vo, T.N. Nguyen, K.D. Le and S. Antonov	19
A Research on Optimization of Technological Parameters to the Objective Function of the Deep Dimensions when Forming Sheet Material by HOTSpif T. Vo, L.K. Dien, T.N. Nguyen, H.D. Lien and T.K. Nguyen	25
Research on the Effect of Technical Attributes on the Tensile Strength of FDM Products H.N. Huynh, T.H. Bui, T.T.H. Thai and H.T. Nguyen	33
A Measure of Optimization of Technological Parameters to Improve the Formability of Aluminum Sheet a 1050 H14 by SPIF Technology N.P. Anh, T. Vo, K.D. Le and T.N. Nguyen	51
A Measure of Optimization of Technological Parameters to Improve the Formability of Stainless Steel Sheet SUS 304 by SPIF Technology T. Vo, T.N. Nguyen, P.A. Nguyen, K.D. Le, T.K. Nguyen and T.L. Tran	59
Mechanical Properties of PMMA/PC Blend by Injection Molding Process V.T. Hoang, D.B. Luu, Q.B. Tao and C.C.A. Chen	67
Using SiO₂ Hard Mask for Fabrication of Micro Fresnel Focusing Lens for Ultrasonic Ejectors T.A. Bui, M.C. Pan, T.H. Wu and T.L. Le	73
A Study on Application of Ultrasonic Wave and Ozone Micro-Bubbles in Leafy Vegetables Washing L.H. Sam and T.A. Son	79
Heat Transfer Simulations and Analysis of Joint Cross-Sectional Microstructure on Friction Stir Welding between Steel and Aluminium T.M. Nhat, T.Q. Thanh, T.V. Thong, T.T. Quyet and L.P. Minh	85
Estimate the Melt Flow Length with Internal Induction Heating for the Injection Molding Process H.D. Thuan, T.A. Son and P.S. Minh	97
Effect of 3D Printing Parameters on the Tensile Strength of Products T.A. Son, P.S. Minh and T.D. Thanh	103
