Preface

WO₃-TiO₂ Nanocomposite and its Applications: A Review

C.W. Lai 1

Nanocomposites in Controlled & Targeted Drug Delivery Systems

H. Kaurav, S. Manchanda, K. Dua and D.N. Kapoor 27

Nanocomposites of Chalcogenide and their Applications

D. Rana, A. Soni, A. Sharma, A. Katoch and D. Jamwal 46

Nanocomposites: Recent Trends and Engineering Applications

P. Senthil Kumar and E. Gunasundari 65

Role of Nanocomposites in Agriculture

H. Gupta 81

Nanocomposite for Solar Energy Application

G. Tessema Mola, X.G. Mbuyise, S.O. Oseni, W.M. Dlamini, P. Tonui, E.A.A. Arbab, K. Kaviyarasu and M. Maaza 90

Fabrication of Gelatin-Zr (IV) Phosphate and Alginate-Zr (IV) Phosphate Nanocomposite Based Ion Selective Membrane Electrode

M. Thakur and D. Pathania 108

Development and Physico-Chemical Characterization of Conducting Polymeric Zirconium Based Advanced Nanocomposite Ion-Exchangers for Environmental Remediation

K. Jacinth Mispa, K. Anusuya, P. Subramaniam and R. Murugesan 121

Magnetic Nano-Composites and their Industrial Applications

S. Sharma, A. Verma, A. Kumar and H. Kamyab 149
