

Table of Contents

Preface

A Review on Emerging Trends of Plastics for Food Packaging in India M.G. Waris Khan and S. Ahmad	1
Emerging Trends of Polymer Materials for Footwear Applications in India A.J. Siddiqui and M.G. Waris Khan	17
Analysis of Handle Shape through Experiments on Hand Drill Performance A. Ali, M.A. Khan, K. Jahan and A.A. Khan	27
Towards Sustainable Architecture: Exploring Innovative Materials, Construction Technology, and Design Concepts for Eco-Friendly Buildings H. Matloob	35
Study the Effect of Route Penalty on FMS Considering Routing Flexibility M.M. Khan, K.P. Singh and W.U. Khan	45
Enhancing Efficiency in Advanced Manufacturing through IoT Integration S.M.R. Zaidi, A. Alam and M.Y. Khan	55
