

Table of Contents

Foreword and Preface

Solidification Processing of Reinforced Metals: Introduction

R. Asthana 1

Solidification Processing of Reinforced Metals: Frabrication Techniques

R. Asthana 6

Solidification Processing of Reinforced Metals: Capillarity in Composite Fabrication

R. Asthana 86

Solidification Processing of Reinforced Metals: Process Fundamentals

R. Asthana 136

Solidification Processing of Reinforced Metals: Solidification Microstructure of Reinforced Metals

R. Asthana 234

Solidification Processing of Reinforced Metals: Interfaces in Cast Composites

R. Asthana 301

Solidification Processing of Reinforced Metals: Properties of Cast Composites

R. Asthana 351

Solidification Processing of Reinforced Metals: Figure Credits

R. Asthana 399
