

Table of Contents

Preface

Chapter 1: Environmental and Geophysical Monitoring of Coastal and Urban Systems

Spatial and Temporal Variations in Macroalgal Biodiversity on the Intertidal Rocky Shores of the Doukkala Coast (Atlantic Morocco) B. Benhniya, F. Lakhdar, N. Rezzoum, H. Zidane and S. Etahiri	3
Assessment of Morphological Change of El Jadida Bay (Morocco) through Topographic Surveys I. Joudar, M. Bouchkara, N. Erraji Chahid, K. Mehdi, B. Zourarah and K. El Khalidi	21
Ethnobotany Study of Five Medicinal Plants Used in the Beni Ammart (North of Morocco) K. El Yousfi, O. Benamari, A. Salhi and Y. El Hammoudani	33
Geotechnical and Geological Data Management in Urban Environments: A Case Study of Casablanca, Morocco Z. Kahot, R. Dkiouak and A. Bouajaj	49

Chapter 2: Water Resources Management

Physico-Chemical Characterization of Groundwater in the Saiss Aquifer, Located in the Sebou Basin, Northern Morocco C. Tsouli, N. Nouayti, A. Otmani, K. Idoumajoud and O. Kabach	61
Monitoring the Hygienic Quality of well and Spring Water Using GIS: A Case Study in the Taza Region (Morocco) M. Ben Abbou, L. Bougarne, I. Mehdaoui, R. Mahmoud, Z. Majbar, Y. El Idrissi, B. Layan, Z. Rais and M. El Haji	77
Numerical Simulation of Water Transfer in Unsaturated Soils: Evaluating the Effects of Temperature and Root Activity in Water Distribution A. Jaefar, R. Nmila and I. Mrani	87
Investigating the Calco-Carbonic Balance of Drinking Water in Taza Morocco Using Principal Component Analysis and Multiple Linear Regression I. Es-Smiri, M. Machkor and F. Chaouket	101
Isotopic and Hydrochemical Analysis of the Ghis-Nekor Aquifer Morocco: Origin of Salinity and Groundwater Quality T. Ahali, D. Khatch, N. Nordine, N. Abderrahim, O. Riouchi and C. Elkhailil	117
