

Table of Contents

Preface

Chapter 1: Strength of Materials and Structural Mechanics

| | |
|--|----|
| Molecular Dynamics Study on the Mechanical Properties of BCC Carbon Steel | |
| R. Budiantono, W.J. Sari, G.K. Sunnardianto, M.H. Mahyuddin and A.G. Saputro | 3 |
| Finite Element Study for Vibration of Annular Plates Resting on Concentric Ring Support | |
| Y. Narita and F. Mahmuddin | 21 |

Chapter 2: Corrosion Performance of Structural Metals

| | |
|---|----|
| Corrosion Performance of Steel Bar Embedded in Seawater Mixed Mortar with Batching Plant Waste | |
| P. Astuti | 33 |
| Stress Corrosion Cracking of Brass in Chloride Solution | |
| S. Hastuty, Y.A. Ramadhan, F.K. Nadhor, M. Awwaluddin, F. Triawan and F. Mahmuddin | 47 |

Chapter 3: Green Building Materials

| | |
|---|----|
| Diagonal Shear Strength of Masonry Wall Using Mortar Joints Mixed with Rubber Tire Crumbs and Fly Ash | |
| R. Faizah, S. Yadi, E. Saputra, T.R. Saputra and Z.M. Ihza | 61 |
| Strength and Durability of Paving Block with Seawater and POFA (Palm Oil Fuel Ash) | |
| A. Dasar, D. Patah, M.A. Caronge, F. Mahmuddin and A. Apriansyah | 69 |
| The Impact of Fly Ash and Sea Sand on Strength and Durability of Concrete | |
| D. Patah, A. Dasar, F. Fakhruddin, B. Shintarahayu and A. Apriansyah | 81 |
| Formulation of a Mixture of Nutmeg Shell Waste with Coarse Aggregate for Optimal Compressive Strength Values in Lightweight Concrete | |
| B. Budiman and F. Mahmuddin | 93 |

Chapter 4: Composites

| | |
|---|-----|
| On the Buckling Behavior of DLP 3D Printed PLA with AgNO₃ Addition | |
| I.K.A. Laksemana, M.A. Muflikhun, M. Handayani, Y.D. Rahmayanti, F. Mahmuddin and F. Triawan | 103 |
| Exploring the Effects of Composition and Thickness Variations on Polyurethane Density in Fishing Vessel Hatches as an Insulation Material: A Comprehensive Study | |
| S. Samuel, T. Tuswan, R.H. Kuncarajati, S. Jokosisworo, P. Manik and M. Muryadin | 115 |
| Unveiling the Potential of Waste Materials: Investigating the Novel Approach of Using Scrap Fabric-Inner Tubes Composites for Sound Absorption | |
| M. Muslimin, I.A. Rangkuti, S. Mulyono, V.N. Garjati, D. Lugyana and M.M. Azam | 123 |
| Utilization of Recycle LDPE (r-LDPE) Plastic and Galangal Stem Fiber for the Development of 3D Printing Filaments | |
| M. Muslimin, S.C.N. Syifa, E.S. Nugroho, L. Dhiya, M.M. Azam, F. Triawan and W.M. Wan Muhamad | 135 |

Chapter 5: Mineral Mining and Processing

| | |
|--|-----|
| Fractionation Studies to Increase the Ni Grade of Saprolite Ores from the Wolo Mine Area, Kolaka Regency of Southeast Sulawesi, Indonesia | |
| M. Munahruddin, S. Sufriadin and I. Nur | 147 |
